

# Knurled torque knobs

## Item description/product images

## Description

### Material:

Thermoplastic, black grey.  
Bush and screw steel 5.8.

### Version:

Bush black oxidised.  
Screw trivalent blue passivated.

### Note:

The set screw sets the required torque. The knob de-clutches and turns freely when the desired torque is reached.

### Drawing reference:

1) adjusting screw for setting the torque
